DIRECTORS President Timmerman requests that all officers and directors appear at 7PM or before for a quick meeting on some club business that has accumulated over the summer.

IMPORTANT VOTE A constitutional amendment will be presented for vote by the membership. It's purpose is to ease procedured followed in handling of club money. The directors carefully worked this out word for word at a meeting in July.

President Timmerman proposed the fall <sup>owing</sup> amendement to the Constitution, "Under Article #3 --- Officers and Directors" to delete (at top of Page 4.)

GIFTS Amateurs give freely of their time and talents to the public during emergencies especially where public communication facilities have failed, however, this club does not make financial contributions to individuals or organizations except modest payments may be made as a contribution for use of a club room or meeting hall for this organization. If it seems desireable to make other contributions, it shall be by members as individuals. (This is to be replawed with the following:

CONTRIBUTIONS Payment for use of a meeting place for the Club may be made by a majority vote of the Directors at the regular Directors meeting. The Club may also make financial contributions to individuals and other organizations. The proposal to Club funds will be handled according to the following:

1. The total contributions during a calender year will not exceed ninety percent of the interest income of the Club during the preceeding calender year.
2. The proposal to contribute must be submitted in writing to the Board of Directors.
3. To be accepted, the proposal must have the approval of five(5) Directors. The approval must be by their signature on the written proposal.
4. There must be a notive published in the Club newsletter stating that a proposed contribution will be brought <sup>before</sup> the membership. A description of the proposal will be included.

5. Approval of the contribution is to be by two-thirds vote of the membership present
